

# Blooming Good Ideas

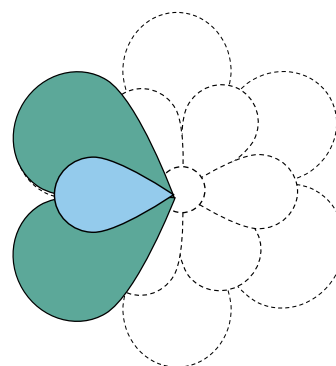

Write **your** idea on a **large** petal.

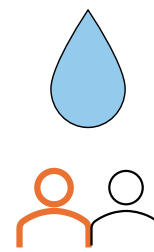

Place.

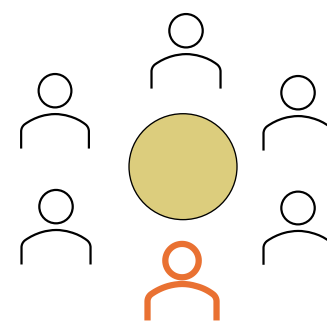

Share with your **neighbour** and **evolve your ideas** into one. Write this down on a **small** petal.

Place on the overlap.

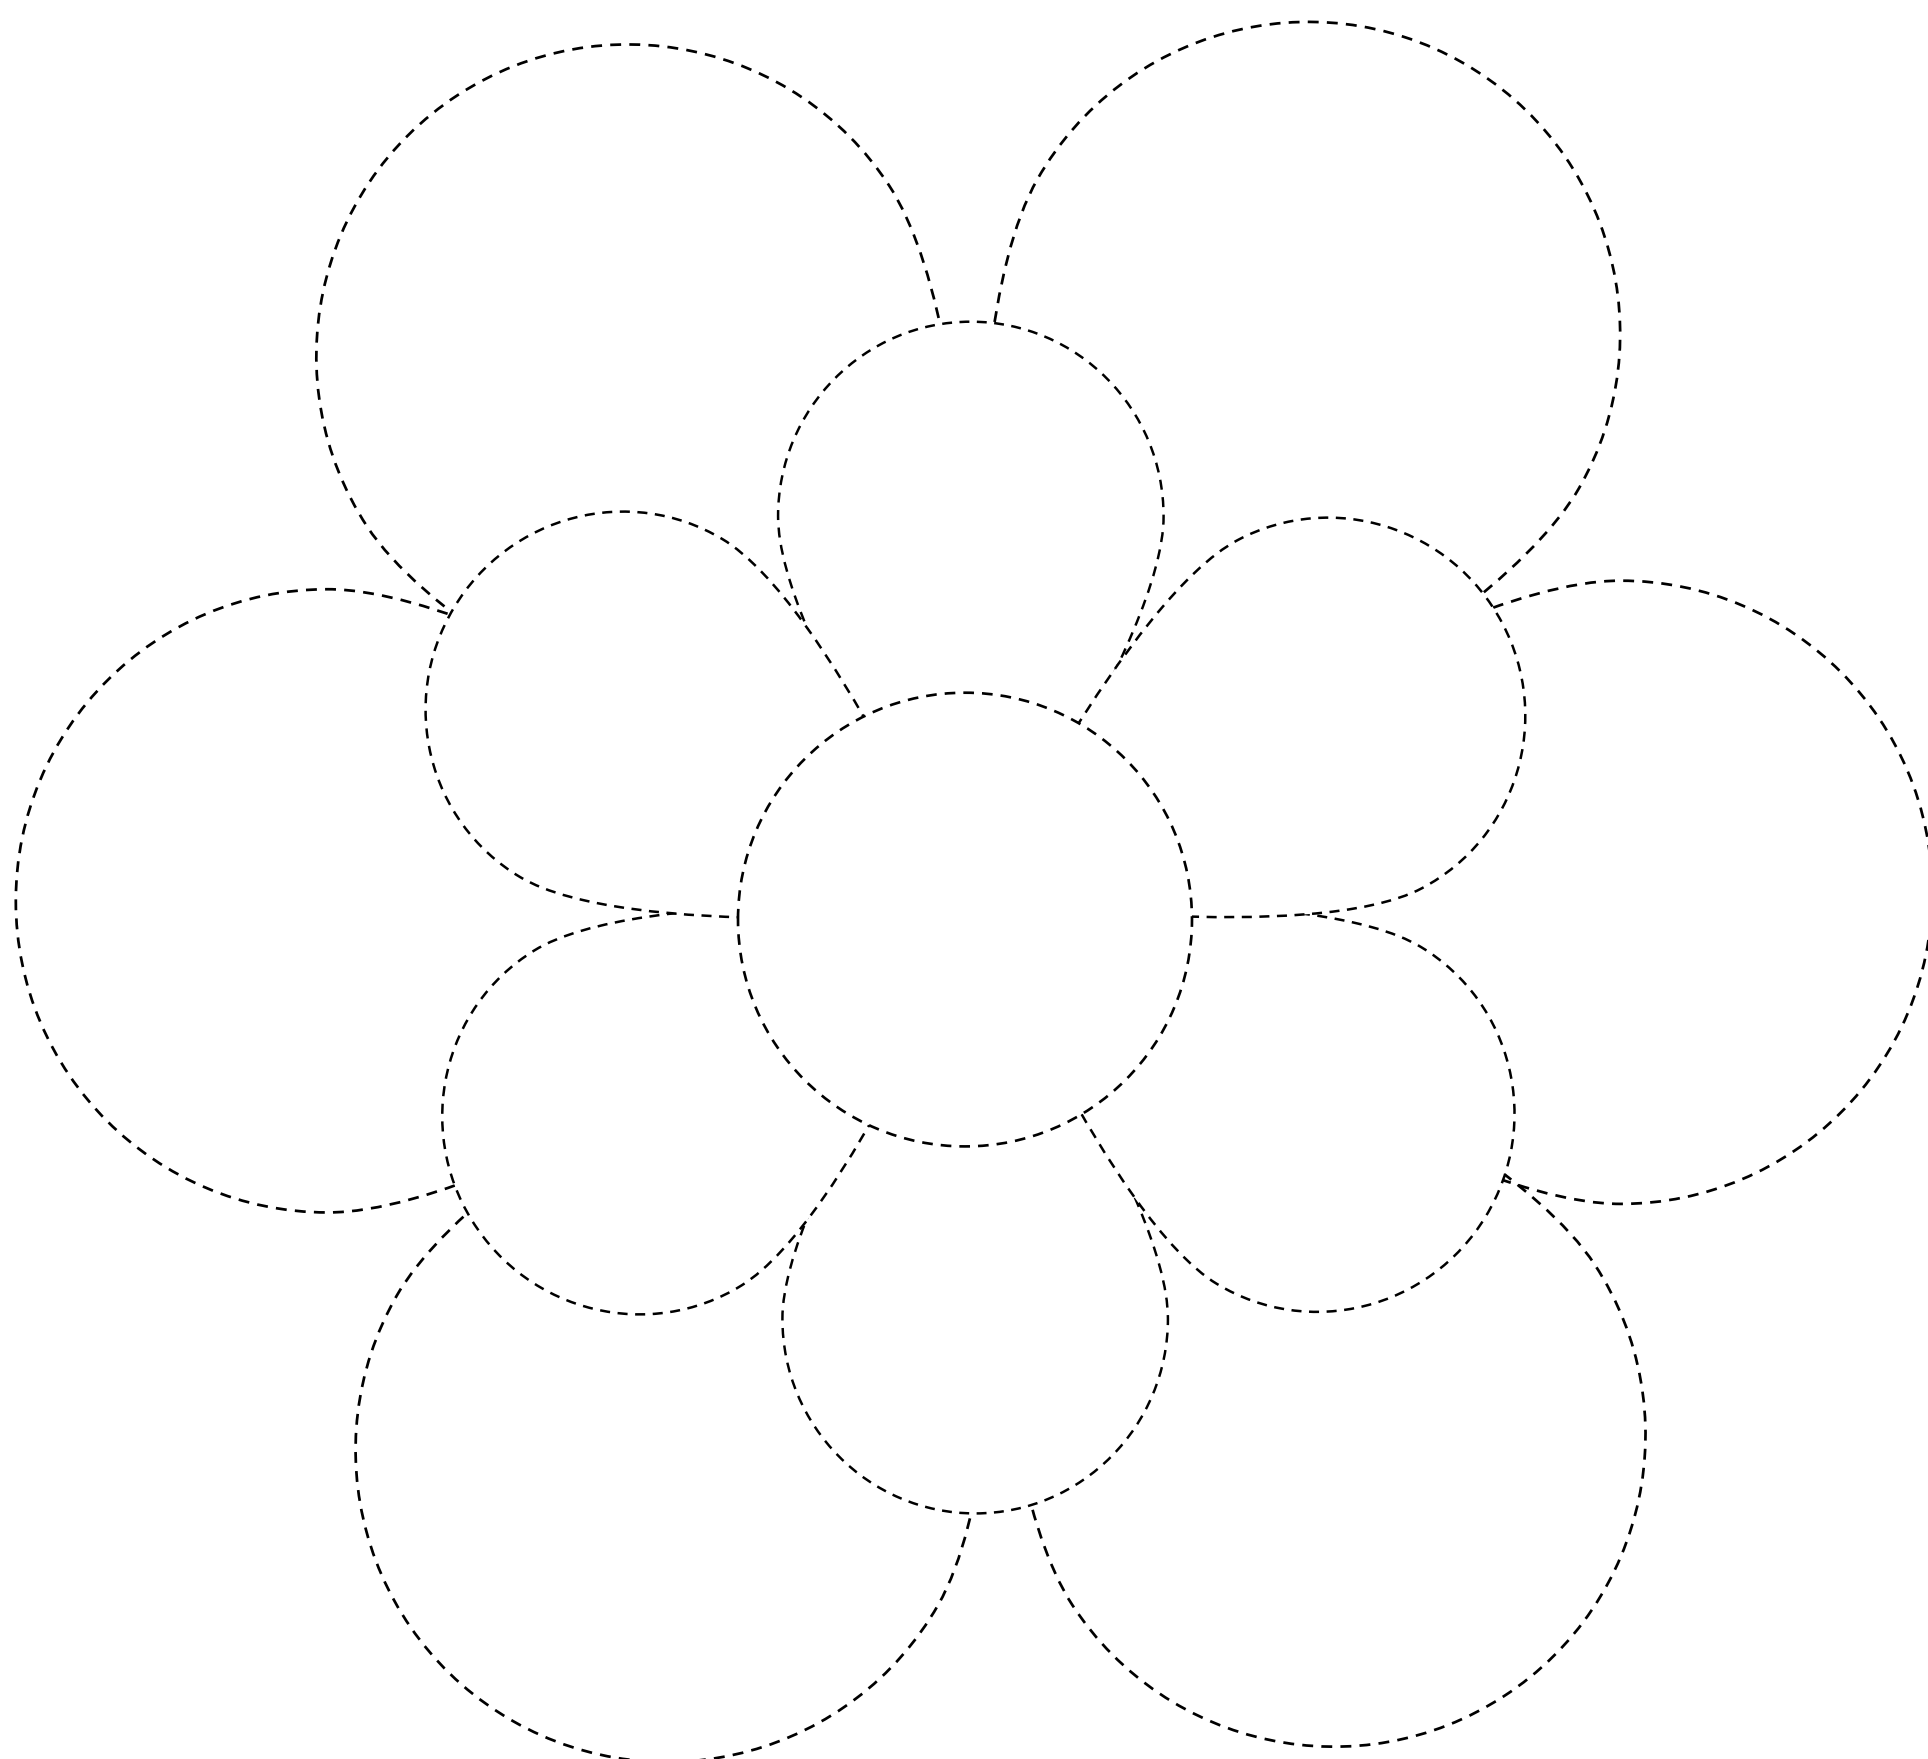

Repeat with your other neighbour.

**Come together as a group**, share ideas and **evolve them** into one to **complete the flower**.

Write your theme/question here:

This template works for groups of 6. Do some flower arranging if you have more!
